

DECLARATION OF COMPLIANCE – Waste Framework Directive –

Nexperia, as a supplier of electronic components containing Substances of Very High Concern (SVHCs) over the threshold of 0.1 % w/w, is adhering to the EU Waste Framework Directive (Directive 2008/98/EC and its amendment Directive 2018/851/EU) by submitting information to the SCIP database. The SCIP database tracks products containing SVHCs through their lifecycle, including disposal. Nexperia specifically reports on components with lead solder paste, providing SCIP notifications at the package level. Details of part types and corresponding SCIP numbers are included in the document's appendix.
